- Parents may visit the office but you must sign in, be wearing a mask, hand sanitise and social distance!

COMMUNITY HUB UPDATE

Unfortunately Suzi is on extended personal leave, some Hub activities are continuing to run virtually and Ms Leanne and Ms Christine are coordinating the Food Box program. Please call the office if you have any questions about the programs and we will endeavour to help in the interim.

PRINCIPAL INTERNSHIP PROGRAM – UNLOCKING POTENTIAL - BASTOW

During the next four weeks we welcome Michelle Hyde to SAHPS. Michelle is currently the Assistant Principal at Essendon Primary School and is completing an Internship at Heights to prepare her for the role of Principal in the future. Michelle will be working closely with the leadership team and 'shadowing' myself to better understand the role of Principal. Please welcome Michelle and say hello when you see her around the school.

TUTOR LEARNING INITIATIVE (TLI) PROGRAM FOR 2022

The Department of Education has announced this valuable program will continue into next year. This entails teachers working with small groups of students who are above or below the current curriculum level. Intensive work will be completed to further support these students to catch up on their learning and to continue to extend those who require it. This year was the first year of the TLI and we are pleased with the results we achieved.

FOUNDATION READINESS PROGRAM

Our Foundation readiness program started last week for our students currently enrolled for 2022. Ms Bubeck has sent home letters of the dates and the students will be involved in an extensive transition program to prepare them for starting school. Each Friday morning in November (12th, 19th and 26th) from 9.30-10.30am students will be participating in a range of school experiences and classroom programs. Parents will be listening to presentations from a number of staff across the school. We welcome you all to SAHPS and look forward to meeting you in person very soon. If you have a child starting Foundation next year or have family or friends needing to enrol, please ask them to do so now!

PLANNING FOR 2022

We are starting to plan for 2022 and we need accurate student numbers to plan the grade structure and teaching staff required for next year. If your family will be leaving our school for whatever reason can you please notify the office immediately so we can plan accordingly. We hate to say goodbye to any of our families but understand that COVID has placed pressures on some families who need to move. Let us know if you are definitely moving schools for 2022, or even if there is a possibility you may be moving too. This does not apply to our current Year 6's who have been allocated a secondary college placement.

REMEMBRANCE DAY

On Wednesday 11th November it is Remembrance Day, we will hold a one minute silence at 11am to remember those who fought and died in the war.

END OF DAY PICK UP

A reminder to families to abide by all road rules and parking signs when dropping off and picking up your children. There have been a few near misses lately. All students in the car must be wearing a seatbelt and children should not enter or exit from a vehicle that is double parked in the middle of the road. Brimbank Council and the local police will be patrolling the streets over the next few weeks, so please do the right thing and keep our students safe. Fines will be issued by the Council to those found doing the wrong thing.

END OF YEAR MOVIE DAY

In the current easing of restrictions cinemas will be opening with COVID 19 safe requirements. We have our annual booking for the last day of school, December 17th. A separate notice was sent home yesterday.

DIWALI

Happy Diwali to our families who celebrate this special event. We hope you enjoyed the celebrations.

Regards
Effie Sultana
Principal

SCHOOL NEWS

CHILD SAFE STANDARDS

St. Albans Heights Primary School is committed to the safety and wellbeing of all children and young people, we have a zero tolerance towards child abuse. This will be the primary focus of our care and decision-making.

S.A.H.P.S WEBSITE

Please visit www.sahps.vic.edu.au and see what is new! All current school programs are included, you can view newsletters and download all school notices. There is also up to date contact information.

MONEY FOR SCHOOL EVENTS

All money that students need to bring into the school to pay for events, excursions, sport etc should go to the **CLASSROOM TEACHER**. This is very important as it allows each classroom teacher the opportunity to see who has paid before money is sent to the office. This also means that traffic through the office area can be kept to a minimum. Please come to the office if you are paying using C.S.E.F. or E.F.T.P.O.S.

Thank you for your co-operation.

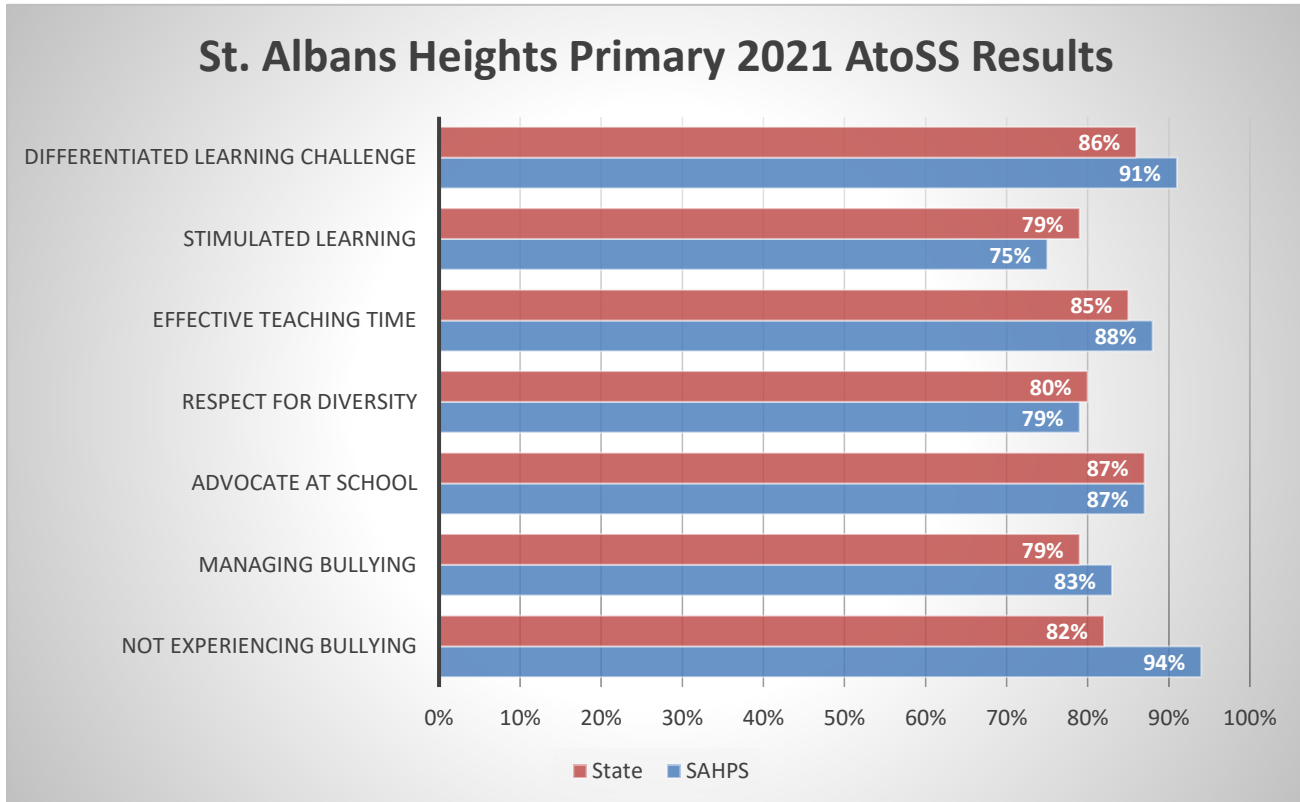

Wellbeing @ SAHPS

Attitudes to School Survey

We value student voice as a means to improving student engagement, wellbeing, and quality instruction. Each year students take part in the Department of Education and Training, Student Attitudes to School Survey. This is to find out what your child thinks of our school. The annual student survey results are used to assist our school to gain an understanding of students' perceptions and experience of school. It gives us an idea of what we are doing well and any areas for improvement. Students are asked about their thoughts and feelings in relation to their school, their learning, peer relationships, bullying and wellbeing. Students from Grade 4 to Grade 6 completed the survey this year.

The results of the survey reflect the hard work staff have been doing over the past 12 months and the strategic direction of the school as outlined in our SSP and AIP. We are very proud of our results from the 2021 survey and hope that the whole school community are too.

On the graph below the orange line represents the average of all schools in Victoria, the blue line is us.
